

Dear Judo Community,

After 46 years, the Albany Judo Club will be opening its own dojo: "Hanabi." Hanabi means "fireworks" in Japanese and we think its energy, brightness, and excitement truly expresses who we are. Please celebrate with us during our opening party where wonderful Japanese hor 'dourves and beverages will be served. Children, adults, and friends are all welcome!

When: Saturday, April 16, 2011 at 5:00 pm

Where: Hanabi, 841 San Pablo Ave (cross street – Solano Ave.), Albany, CA

Please RSVP: 415-837-0723 or dan@edintl.com by April 10th

Hanabi classes will begin on April 1st. We offer:

- Judo for children, women, families, adults and competitors
- Fitness classes
- Private instruction
- Weekly "Parent's Night Out", where children can have fun under our watchful eyes, while parents can enjoy a night out on their own!
- Open Monday through Saturday

We look forward to seeing you on April 16th!

All the Best,

Dan Augustine Sensei
